

# RECREATIONAL USE

blonde beer

Created by **Chef Michael Voltaggio** and **Brewmaster Nic Bortolin**

**Tasting notes:** Recreational Use is redefining what a crushable, light, thirst quenching beer should be. Visually stunning with a bright gold color and fluffy white foam. Aromatically complex thanks to late addition Mosaic hops providing a quintessentially craft berry medley aroma. The end result is a stunning finish so light and refreshing you can't wait for a second sip.

**Beer Facts:** Craft Blonde Ale, Vegan, All Natural Ingredients (Water, Barley, Hops, Yeast), 95 Calories per 12oz can, 4.5 Grams Carbs, Crafted to Reduce Gluten.

**Brewery Info:** 14 Cannons is the premier craft brewery in Westlake Village, CA. The brewery's initial concept was to serve as a showroom for The Marshall Group General Contractors to showcase the latest and most innovative technology on a craft scale. Partnering with award winning brewer Nic Bortolin, the beers at 14 Cannons were quickly recognized for producing high end Czech Style Lagers and clean West Coast IPAs. 14 Cannons Brewing is now known for a modern approach to classic West Coast Craft.
